

Call Better Earth for a better end to your rummage sale.

Having a rummage sale is hard work. And when it's over, you deserve to sit back and relax. You can — with one easy call to Better Earth Textile Recycling (BETR). We'll come to your sale to pack up and remove all leftover clothing, shoes, belts, purses and other textiles. It's fast, it's easy and best of all — we do the work, so you don't have to.

What we do.

With one call, a BETR truck will arrive at your sale at a predetermined time to promptly pack up your items. We then export your discarded clothing and other textiles to destinations worldwide where the need for them is great. Our efforts help reduce a portion of the 26 billion lbs. of textile waste being added to America's landfills each year. We also support local and global economies along the way by generating needed revenue, creating green jobs at home and abroad, and helping to improve the well-being of people in the U.S. and around the world.

Call Tim today at 414.716.5755 to learn more about our rummage sale pick-up services.
